Mrs Kitson

I just want to say a huge thank you to everyone who waited in the very long queue to buy my book and have it signed at my launch event yesterday. I am so very grateful and touched by the support the Walkington school community has given me and I hope you all enjoy reading 'The Eventful Journey'. Happy adventuring!

Mrs Kitson

Lunch Arrangements

Unfortunately, we have noticed an increase in the number of families failing to book their children's meal in each week on the SchoolMoney app. We respectfully ask that you perhaps schedule a reminder on your mobile to log on and complete the forthcoming weeks lunch arrangements, prior to midnight the Sunday before. This also includes notifying us if your child is staying packed lunch. All families have been issued with a log-on however, should you require assistance with the system, please do not hesitate to contact us. Thank you very much in advance for your co-operation.

Music Lessons Academic Year 2024-25

We are looking to start a register of interest for music lessons in the academic year starting September 2024. These lessons are chargeable and delivered by East Riding Music Service within school hours to children in years 3 to 6 (current years 2 to 5). The cost of the lessons is usually around £60 per term (Autumn, Spring & Summer)

We are currently able to offer lessons in the following instruments:

Guitar
Woodwind
Piano
Violin

The music lessons have proved particularly popular this year, with us not having opportunities to offer places mid-year and therefore we would encourage you to register your child sooner rather than later. The register will close initially on the 26th April to then allow us to arrange taster sessions and subsequently offer places. The response we receive will then determine whether or not we re-open the register late on in the term.

To register an interest please email the school office and specify which instrument(s) your child may wish to take up. Likewise, if your child is currently undertaking lessons but wishes to withdraw in the next academic year, please also notify us of this in the same way. Thank you.
