Workshop Information

Educational Healthcare Plans – What are they? What are the assessments and how to apply. Our Parent Support Group in May is hosted by SENDIASS, a free, impartial and confidential information service for young people with special educational needs and disabilities (SEND).

We understand the process of Educational Healthcare Plans can be confusing and you may not know what support is available to your family. This webinar will give you knowledge on the Education, Health and Care (EHC) needs assessment within Hull, and how you can start the process.

Thursday 9 May, 10 – 11am
