

My Book About
Walkington Primary
School

My teacher will be Mrs Brown

My teaching assistant will be Miss Leedham

In the morning I will wait at the classroom door with my grown up. When Mrs Brown opens the door, I will give my grown up a big kiss and a cuddle and go into the classroom.

I will hang my coat up in the cloakroom. There will be a peg with my name on it. I will change into my indoor shoes and put my outdoor shoes in the red basket with my name on.

This will be my classroom. There are lots of exciting things to do like painting, reading, jigsaw puzzles, number blocks, a home corner, a making table and much more.

This is my outdoor classroom. I can play out here in the summer and winter, even when it rains. There is a mud kitchen, big blocks to build with, sand, water and lots more.

Everyday I will have a playtime with the boys and girls from other classes. I will go onto the playground for playtime where there is lots of room to run around and play games. At playtime I can have a piece of fruit.

At lunchtime I will eat my lunch in the hall. The hot dinners are yummy and they will come on a tray. I will have to remember to eat my lunch before my pudding.

Being at Walkington Primary School is very exciting
and Mrs Brown and Miss Leedham can't wait to
meet you.
