

Sports premium July 2024

(reporting for 23-24)

Reviewed: July 2024

Next review date: July 2025

Although completing this template is not a requirement for schools, schools are required to publish details of how they spend this funding. Schools must also outline what the impact this funding has had on pupils' PE and sport participation and attainment and how any spending will be sustainable in the future. **All funding must be spent by 31st July 2024.**

The Department for Education has worked closely with the Association for Physical Education (afPE) and the Youth Sport Trust (YST) to develop this template and encourages schools to use it. This template is an effective way of meeting the reporting requirements of the Primary PE and sport premium.

Review of last year's spend and key achievements (2023/2024)

We recommend you start by reflecting on the impact of current provision and reviewing your previous spend.

Total money received for Sports Premium funding = £18,060.

Activity/Action	Impact	Comments
To continue to work with and support the work of the Sports Partnership, which includes inter and intra-school competition for all our children.	<p>Pupils in KS1 and KS2 will have the opportunity to take part in at least 1 intra-school competition during school time.</p> <p>Children in KS2 will also have regular opportunities to compete against other schools through competitions, tournaments and festivals.</p> <p>Children in KS1 will have more opportunities to take part in events/festivals.</p> <p>Children have entered 14 inter-school competitions.</p> <p>Coaches have also come into school and coached the children in golf, rugby and tennis.</p>	<p>£3500</p> <p>Progress in sport has been improved and the number of pupils attending sports related clubs has also increased from the previous year with further plans to improve on this in the 24- 25 academic year.</p> <p>Sports medals to encourage children £58.50</p>

<p>To give children further opportunities to participate in inter-school competitions.</p>	<p>All children will have the opportunity to participate in extra-curricular sport and compete against other schools in our local area. This will be extended beyond the calendar of activities currently offered by the SSP.</p>	<p>£2000 (Transport costs)</p>
<p>To increase the percentage of SEND and PPG children taking part in extra-curricular sport.</p>	<p>Children in these groups will be targeted to ensure they have the opportunity to represent the school in competitive sport as well as extra-curricular activities.</p>	
<p>To increase the percentage of 'less active' pupils taking part in extra-curricular sport.</p>	<p>Children who are 'less active' identified and targeted to ensure they have the opportunity to represent the school in competitive sport as well as extra-curricular activities.</p>	
<p>To employ a member of staff to carry out administrative tasks relating to Sport and PE in school.</p>	<p>Administrative tasks will be carried out in a timely fashion and allow the school to participate in as many competitions as possible.</p>	<p>39 weeks £2228</p>
<p>Extend opportunities to further sports outside of current curriculum</p>	<p>Children will also have the opportunity to take part in events that are run during school time as opposed to after school, thus widening their experience of different sports that may not be offered by the SSP.</p>	

<p>To improve the quality of equipment for Sports and PE in school, the maintenance of the KS2 astroturf and school gym equipment. These assets already exist.</p>	<p>All teachers and pupils will have access to a wide range of high-quality equipment, enabling all children to participate in lessons and extra-curricular clubs. Children will be fully equipped to attend intra school tournaments, having practised with the appropriate equipment.</p>	<p>£13,816.48</p>
<p>To improve the swimming skills of pupils in Year 5</p>	<p>As well as the swimming funding the school receives for children in Year 3, we aim to give the children a second opportunity in Year 5 to reach the Key Stage Two curriculum goal.</p>	<p>Full year contract £3545</p> <p>TOTAL SPEND £25,147.98</p>

Swimming Data

Meeting National Curriculum requirements for swimming and water safety.

Priority should always be given to ensuring that pupils can perform safe self-rescue even if they do not fully meet the first two requirements of the National Curriculum programme of study

<u>Question</u>	<u>Stats:</u>
What percentage of your current Year 6 cohort can swim competently, confidently and proficiently over a distance of at least 25 metres?	100%
What percentage of your current Year 6 cohort can use a range of strokes effectively [for example, front crawl, backstroke, and breaststroke]?	100%

What percentage of your current Year 6 cohort are able to perform safe self-rescue in different water-based situations?	100%
If your schools swimming data is below national expectation, you can choose to use the Primary PE and sport premium to provide additional top-up sessions for those pupils that did not meet National Curriculum requirements after the completion of core lessons. Have you done this?	Yes
Have you provided CPD to improve the knowledge and confidence of staff to be able to teach swimming and water safety?	No

Head Teacher:	<i>Chris Bullough</i>
Subject Leader or the individual responsible for the Primary PE and sport premium:	<i>Lorna Cochran</i>
