## **Christmas Card Project - yes, it is that time again!**

The Friends of School are once again offering to organise the production of Christmas cards with children's designs printed on them. If you wish to take part, your child/children will first of all need to produce a design on the template sheet, which will be coming home with children tonight.

**Please note designs must be produced on the template provided due to the unique number on each sheet.**

**Please do not use glitter, metallic paper or 3D objects as they will not be accepted. A clear design coloured in using felt tip pens or pencil crayon give the best results.**

These designs will then be sent off and sample cards will be produced and sent back to you.

Finally, orders and payments will be taken and Christmas cards will be delivered back to parents/carers by the end of November. Could all children who wish to take part please send their designs back to school by **Monday 14<sup>th</sup> October at 12 noon**. This is a strict deadline as designs will be posted out that night. If you have any questions, please do not hesitate to contact the school office. A limited number of spare templates are available at the school office. Thank you.
