Y5/6 Residential

Reminder: Our pupils are attending their residential trip this week, from Monday to Wednesday. The children will be departing the school at 8:15am prompt to ensure that the coach has cleared the carpark prior to the rest of the pupils arriving to start their day.
Therefore, we politely request that everyone is mindful of the extra traffic (both vehicle and pedestrian) around this time and you are respectfully asked to adhere to road markings and restrictions around the site, along Crake Wells and the surrounding area. Thank you.

Survey Regarding Publicity Photographs

Thank you to everyone in KS1 who responded to the snap-poll regarding 'new starter' photographs. The results have helped inform our decision making, and it is always useful to know what the various viewpoints are around these kinds of issues over time.

Please be assured that if photographs are ever taken to be used beyond the school, we will always refer back to the privacy preferences indicated by yourselves on our system, and that only in exceptional circumstances, and with your permission, would names of pupils ever be associated with images - the school's own blanket policy is to never connect names with photographs.

Beverley News

For information: At the start of each academic year, Beverley News visit primary schools in the area to take photographs of the new EYFS classes. This year, the photographer will be attending our school to visit Mrs Brown's class on the morning of Monday 28th September. Where applicable, we will adhere to any of the withheld consents recorded on file. Thank you.

Junior Badminton

After 40 years of tremendous service to the community, our dear friend Carol has decided now is the right time to step away from running the village junior badminton club.

I'm sure some of you reading this will have attended her club at some point, and that everyone in the school community will want to join us in offering both our heartfelt thanks for giving up so much of her time, and also our very best wishes for the future.
