Y2 (Class LCK) Parents Briefing
Reminder: Our parents briefing will commence at 9am on Wednesday 7th October and last for approximately 30 minutes. Thank you.

Parking in the drop-off loop
Unfortunately, we are still receiving complaints that a very small number of parents are parking up in the drop-off area and getting out of their vehicles on a morning, blocking the loop for everybody else.

Please could we respectfully remind *everybody* involved in the morning school run that the drop-off is for pupils who are able to get out of the car and make their own way unaccompanied into school. If you wish to come onto the playground with your child or call into school for any reason, please do not use the drop-off area.

If we continue to receive complaints going forward, we will have no option other than to contact parents directly regarding this matter.

Thank you all for your cooperation in keeping the area around school calm and safe at this busy time of the day.

Y5/6 Residential photos
We have all just enjoyed seeing some of our photo memories from this week in assembly.

While it is tricky to get images of *all* the children sent back to school and circulated out to you during office hours while staff are so busy on an activity trip such as this, rest assured that we are working on providing some pictures for you and your children to keep as memories of their time away together. Please keep an eye out for further details next week.

Christmas Lunch Orders
Reminder: The supply kitchen needs to place the advance stock orders for Christmas lunch which is being served on Thursday 10th December.
Therefore, please order your child's hot school meal via the SchoolMoney app ***no later than Wednesday 7th October.*** Thank you.

Extra-Curricular Clubs – Years 2 to 6
Look out for correspondence next week with regards to the lunchtime and/or after school clubs available to your child, after the half-term.
